Engraving

goat accom-

four putti  
by the  
Northern  
Renaissance  
artist  
Albrecht  
Durer  
(1471-1528).  
Witchcraft  
is the use of  
magical fac-  
ulties, most  
commonly  
for reli-  
gious, div-  
inatory or  
medicinal  
purposes.  
This may  
take many  
forms de-  
pending on  
cultural  
context.  
The belief  
in and the  
practice of  
magic has  
been  
present  
since the  
earliest hu-  
man cul-  
tures and  
continues  
to have an  
important  
religious  
and medici-  
nal role in  
many cul-  
tures today.  
A witch is a  
person,  
usually a

woman,  
who pro-  
fesses or is  
supposed  
to practice  
magic, es-  
pecially  
black magic  
or the black  
art.
